quilt shapes inkwell · QC 126

FOLK

Year

A story of the seasons, in clothes inspired by folk craft
and the modern feminine.

Premium fabrics. Patchwork patterns. Foraged colours.
Our collection for Spring/Summer weaves contemporary Cornish design
through moments in the folk calendar.

The changing seasons set the tone.

Warm wool-blend knits for the winter solstice. Coastal florals and certified
organic cotton for the spring equinox. The finest laundered linen for
midsummer. The result is a wardrobe that follows nature's rhythms and rituals,
always responsibly sourced and always on trend.

SEASALT CORNWALL

THE WINTER SOLSTICE

LAUNCH 1 | DECEMBER

A time to celebrate glimmers of joy in the dark and the bright moments that bring us together, with patchwork pattern and quietly luxurious layers.

SEASALT RAIN

WET WEATHER EXPERTS SINCE 1981.

Through 45 years of wild Cornish weather, we've developed innovative waterproofing treatments free of harmful chemicals and increased the range of responsibly sourced fabrics we use.

Discover coats that last through downpour and drizzle with easy-to-layer shapes and useful details, inspired by the fishermen's macs we first sold.

THE SEASALT STORY

Responsibly crafted clothing, designed for a life worn well.

Founded on Adelaide Street, Penzance in 1981, our first shop sold workwear to local fishermen and artists. From coast to canvas, both customers shared a need for well-crafted, functional pieces suited to Cornwall's wild coastlines.

first customers remains. We still choose colours from the landscape and patterns from the artists' studio. Crafted with responsibly sourced fabrics to make maximum impact in wardrobes, and minimum impact to the environment.

Since then, we've been designing creative clothing woven with stories of life by the sea. The Seasalt wardrobe is timeless, but the influence of our

Today, our collections are designed for the joy of self-expression and artful dressing. Made to feel good, look great and fit well.

*Best wishes, & thank you,
Neil & Sophie
