

CIRCUS

SPRING / SUMMER

LOOKBOOK 2027

“Timeless style thoughtfully made”

Circus Clothing is an independent Irish fashion brand rooted in sustainability and inspired by vintage design. Our collections are bold, joyful, and unique—created to help women feel confident, express their individuality, and add a touch of nostalgia to their everyday style.

"A Promise of People, Process & Purpose"

"At Circus, sustainability means looking people in the eye, telling the truth, and doing things right—even when it's not the easiest path. It's a promise we've kept since day one. And we're proud to keep doing things differently—because that's the only way we know how".
